MAX UNDERSTOOD

By Nancy Carlin and Michael Rasbury

CHARACTERS:

Max, a boy with autism, 7 years old

Mom, his mom, 30ish

Dad, his dad, 30ish

Homunculus "Munc" Jones, a gardener, a philosopher, a spirit-guide

Fin, a girl, a little older than Max.
Bossy, powerful

Albert, a boy, 12-14. Book-ish, awkward

Peg, a girl, 12-14. Heavy-set, into clothes

PLACE:

An apartment complex. The interior of Max's apartment and various exterior locations immediately surrounding it.

SCENE 1 - HOME

We find a boy standing by himself surrounded by darkness. He stands still but there is a noticeable inner fire burning brightly and ready to surge out of every area of his body. This is Max. His eyes are gleaming and wide open and far away and he wears a very large smile.

SONG 1: NOISE SYMPHONY

Loud sound of a leaf blower breaks the mood. It underscores the following sounds.

Somewhere in the darkness a telephone rings. Max doesn't notice.

Then a microwave begins beeping from the opposite side of the stage. Again, Max is far away.

Other household and neighborhood sounds begin to randomly make noise.

Max still doesn't seem to notice, but he appears distracted. Although his eyes remain full and his smile bright, he begins shifting his hands in uncomfortable ways.

From the darkness around him, the cacophony of sounds begins to overlap and grow.

He starts making an ever growing and anxious sounding vocalization.

MAX

Noisy!

Max flaps his hands harder and faster, and his vocalization sounds even more anxious. But he still smiles and seems far away. The anxious sound is really pleasing for him to make.

The symphony of noise culminates in a clattering and electronic sounding crescendo. Max stops shaking. In a brief second, and as the reverberations of the noise symphony fade, we see Max's happy smile and distant eyes.

Max always looks happy while he replays stories in his mind.

Max grabs his president machine. The tinny, digital sound of a talking toy giving facts about presidents brings focus to the present space.

SONG 2: MEET MAX AND THE MACHINE

He rapidly presses the buttons preventing the machine from completing its sentences.

Mom appears. She holds a box of toaster waffles.

MOM

Max!

There is no response to this, as Max continues with his toy.

Dad appears in a separate space

DAD

Max?

He holds a toaster.

MOM
Breakfast!

Sound of toaster ejecting toast.

SCENE 2 - HOME

Max sits on the floor eating waffles
and stimming (hands flapping, etc.)
Television light illuminates his face.
Sound of Ray Bolger in The Wizard of Oz
saying, "...but some people without
brains do an awful lot of talking..." Max
has some of his favorite toys with him.
Of particular interest is a little
white Pegasus. He often uses it as a
character to reenact stories in his
mind.

With the remote control, Max
continually repeats a sequence.

Note: Max does not make eye contact

TV
"... but how can you talk if you haven't got a brain? I don't
know, but some people without brains do an awful lot of
talking, don't they?"

Dad and Mom enter with coffee.

MOM
That incessant leaf blower|woke me up again

*

DAD
Max, you wake up way too|early in the morning

MAX
I watch Wizard.

MOM

And go to bed too late. Did you|get any sleep?

MAX

Wizard!

DAD

I slept with Max. But he kept me|up most of the night

MOM

I'll do it tonight.

MAX

(with the TV, for the umpteenth
time)

"..but some people without brains do an awful lot of
talking!"

DAD

I sure wish he could get some sleep without one of us there.

MOM

Can't that guy just take a break from relocating the leaves?
This is the noisiest|apartment I have ever lived in

DAD

You can't watch this over|and over and over

MOM

One of us is always alone --

MAX

Why?

DAD

You know he needs someone to|sleep with him

MAX

Why?

DAD

(gently, to Max)

Because it's just too much.

MAX

Why?

DAD

Because you have this memorized.

MAX
Why?

DAD
Because you have this memorized.

MAX
Why?

DAD
Because you have this memorized.

MOM
Any chance of getting off this track, Boys? --

MAX
WHY?

DAD
BECAUSE I CAN'T --

MAX
Why?

MOM
Whaddya think?

DAD
BECAUSE I CAN'T --

MAX
Why?

MOM
Well?

DAD
BECAUSE I CAN'T --

MAX
Why?

MOM
Well?

DAD
BECAUSE I CAN'T --

MAX
Why?

Well? MOM

I can't watch this one more time! DAD

WHY!? MAX

I CAN'T DO THIS! (to self) You're okay. You're okay. DAD

Dad turns off the TV. Max's eyes roll up in his head and stay fixated on an imaginary TV screen. He flaps.

Mom and Dad pause to look at him.

I'll be late again if I don't|get going right now DAD

I watch! MAX

I can't be late|today DAD

I watch! MAX

I can't be late|today DAD

I watch Wizard. MAX

You have to get up earlier when he does MOM

I watch Brian Williams! MAX

He's not on any more Honey. He'll be back. MOM

Watch Brian Williams! MAX

MOM
(to Dad. About getting up
earlier)

That's what I have to do.

MAX
Brian Williams!

DAD
I WAS UP EVERY HOUR|WITH HIM UNTIL HE

MAX
Be happy!

DAD
No more TV, Max!

MAX
Need to!

DAD
NO MORE!

MAX
Need to, need to, need to!

Descends into a fit.

DAD
OK stop, OK. We'll turn it back on. But just as long as it
takes until you get dressed. Then we're turning it off.

MAX
Need to watch!

DAD
We'll watch while you're getting dressed.

He reaches for the TV. Mom stops him.

MOM
We can't just keep letting him|get his way with the TV

MAX
(like the voice on the President
machinge)
Who was Millard Fillmore?

*
*

DAD
What else should we be doing? It occupies him. You have to
pick your|battles

MAX
WHO WAS MILLARD FILLMORE? WHO WAS MILLARD FILLMORE?

MOM
Yes, but you should stick to your-- You know, Max.

MAX
You know.

MOM
YOU know.

MAX
You know.

MOM
YOU know.

MAX
You know.

MOM
YOU know.

MAX
You know.

MOM
YOU know.

MAX
You know.

MOM
YOU know.

MAX
You know.

DAD
But when you're through getting dressed, we're turning it
off. (looks to Mom)

MAX
Maybe later I watch?

MOM
I could have slept with him |it really doesn't matter

DAD
What?

MOM
I don't sleep anyway.

MAX
Maybe tomorrow I watch?

MOM
I don't sleep anyway.

DAD
OK...But no more Wizard. Your favorite commercial is on this channel.

He turns it on to a morning news show.

MOM
Just for a little while. But when you're dressed --

MAX
Maybe later?

MOM
We'll watch again later.

Max starts arranging Dad's hair.

MAX
Maybe tomorrow I watch?

DAD
OK, Max.

More hair organizing. Dad tries to ignore.

Mom stares pointedly at Dad.

MAX
Like Brian Williams!

DAD
(to Mom)
What?

MAX
Brian Williams!|Brian Williams!

MOM
(naming it)
We're stuck

DAD
We're doing the|best we can

MAX
Makes you look like Brian Williams! Like Good Squid! Good Squid!

MOM
(Getting clothes for Max)
You know, we have no friends. Surprise, surprise.

DAD
The people in this town|drive me nuts

MOM
Who'd last five minutes with us?

DAD
I mean all they care about is their leaf-blown sidewalks.

MAX
Good Squid!

MOM
Same leaves. New location.

MAX
Like Brian Williams!

DAD
Be good to have friends.

MOM
You think?

DAD
He needs friends.

MAX
Good Day, and Good Squid.

MOM
(to Dad)
What?!

DAD
Brian Williams. When he was on Sesame Street. He said, "Good Day and Good Squid."

They pause a moment. They almost smile.

MAX
(in an echoalic way, some words
sound incorrect)
"President Millard Fillmore. Fillmore served as the
'firthteenth' president of the United States from 1850-1853."

DAD
That's great!...Hold on Max, just a sec.

Gets his work stuff together

DAD
We really should get him out more.

MAX
(begging a response)
Cornish Pixies...

DAD
He needs the fresh air. |Outside Time

MAX
(more insistent)
Cornish Pixies...

DAD
You know?

MAX
Cornish Pixies...

DAD
You know?

MAX
Cornish Pixies...

DAD
Hey, you know?

MAX
Cornish Pixies...

DAD
(to Max, responding by rote)
"FRESHLY PLUCKED."

Max presses his toe on a little Casio
keyboard. It plays a melody.

MAX
(infomercial voice)
Billie Mays here for Oxy-Clean. STAIN specialist. Don't just
get it clean... *

DAD
You should go do things with him. *

MAX
Don't just get it clean... *

MOM
Yes! And that's so easy to do!

MAX
Don't just get it clean.. *

MOM
(losing her cool)
GET IT OXY-CLEAN! GET IT OXY-CLEAN! *

DAD
I'm not sure he even wants to.

MOM
(collecting herself a bit)
Sure. We'll go to a ball game! *

DAD
Hey, Max, you want to go outside? *

MAX
Mmm-hmmm. *

MOM
Hey Max, are you a monkey wrench? *

MAX
Mmm-hmmm. *

DAD
(point taken)

Ok...

MOM
If he was just a little more aware of his body...

DAD
People will just have to deal.

MOM
And I can't shake the six o'clock news story image of him
disappearing on me.

Mom turns the Casio off.

Dad goes off to another room.

Mom takes a deep breath. She prepares to get Max dressed. These are the same clothes he is fixated on and must wear every day.

MOM

Max, you've got to always stay close to Mom.

Max turns Casio on

Remember, if you do want to go outside, we'll go together. (trying to catch his eye) Where are you Max? Let me see your pretty eyes. You know, there are bad people in...If you left without me, some bad person...You have to pay attention outside.(calling to Dad) GET ME A WET WASHCLOTH!

She turns Casio off

MAX

That wasn't in the job description!

Max turns Casio back on. Melody again.

MOM

They drive way too fast out front. The drainage ditch is wide open. No fence.

DAD

You worry too much.

Trying to turn Casio off

No, Max.

MAX

Sponge Bob...ummm...ummm...ummmmm....

MOM

He's not...capable.

DAD

Where's the stop button on this thing?

Casio off

MAX

(he struggles with some of the words)

Sponge Bob and Debbie Ryan and, and, and Pegasus and Princess and, and, and Ben Stein and ummmm, ummmm, ummm, Pee Wee can come to my house and have triple chocolate power line cake with a red candle and a green, no, no, no, blue candle and red candle. OK?

DAD

Well, OK Max, but I'm not sure that can really|happen

MAX

Why?

Dad doesn't know how to respond.

Why?

DAD

Because --

MAX

Why?

DAD

Because --

MAX

Why?

DAD

Because --

MAX

Why?

DAD

Because you --

MAX

Why? (beat) Why?

MOM

He smacked right into someone at Safeway yesterday. The guy looked at me like I was such a bad par -- hold still Max!

Running away to do Dad's hair.

DAD

(grabbing his hand firmly)

Leave my hair alone.

MOM
They expect him to act different at his age.

DAD
I asked you to leave my hair alone.

MOM
People don't understand.

DAD
WHAT ARE YOU DOING TO MY HAIR?

MAX
Brian Williams!

DAD
Pay attention!

MAX
Brian Williams! Brian Williams!

Turning his face to catch his eyes and
repeating the oft heard phrase

DAD
Where are you Max? Over here, handsome.

MOM
Here, I'll do it.

Giving Mom the wet washcloth which she
proceeds to use to wipe Max's hair.

MOM
What's the plan? When we're not around for him anymore?

DAD
What do you mean?

MOM
He'll be a teenager|before you know it

MAX
(vocalizing his anxious sounds
and flapping)
Because I'm...dirty! Because he doesn't know!

MOM
When he's old? What's the matter Max?

Noisy!

MAX

This gentle washing feels like bricks on his skin. He lashes out and hits Mom.

Ouch!

MOM

Easy.

DAD

Max's hand gets caught in Mom's locket chain, almost choking her

Let go!

MOM

Dad undoes the necklace

Why'd you do that, Max? Try to be more careful. Pay attention!

DAD

Can I rip that? Can I hurt that?

MAX

That was not a good choice.

DAD

Be happy!

MAX

I know you didn't want to hurt Mom.

DAD

Be happy!

MAX

I'm all right, Sweetie.

MOM

Ahhh...mmmmmmmm...ahhhh

MAX

(shaking)

How are we ever going to get that kid in a bathtub? I've never seen water freak someone out so much.

DAD

One step at a-- MOM

Ahhhhhngggg! MAX

Max is overcome by agitated remorse,
moaning and shaking. Tears.

All done! "Noisy" all done. DAD

The tantrum subsides

We love you.

A dressing ritual/game. Max follows
directions in order to dress. Mom and
Dad take a deep breath. Dad turns casio
on.

"Two steps to the left." MOM

"Peek round the bend." You're a very special boy. DAD

"Under the hedge." MOM

"Over the top." Other people don't understand you like we do. DAD

"Half step again." MOM

"One to the right." DAD

"A step at a time..." MOM

"And your day will be bright." DAD

That's right! MOM

They dare to believe they've
accomplished something.

Max suddenly starts to pull his shirt off. He doesn't like how it feels.

MOM/DAD

Noooooo!!

They try unsuccessfully to put his shirt back on.

Be still!

MAX

(making fashion model poses)

Like Abercrombie! Like Abercrombie! With your camera!

DAD

Not right now, Max.

MAX

Maybe later we play Abercrombie? Maybe later we play Abercrombie?

DAD

Maybe later. (to Mom) I have to go! I'm really behind.

He starts off, but gets caught back up

MAX

(like Pee Wee)

Oh, hi! Today's secret word is fun! Now, you know what to do when anyone says the secret word, right?

MOM/DAD

(not fully committed, but trying. Fake smiles)

Scream?

MAX

That's right! Let's try it! Are you, um, fit...no, fat?

MOM

No, I'm fun.

MAX

Ahhhhhh!

MOM/DAD

(joining in for a good tension-releasing scream)

Ahhhhhh.

MOM
(turning casio off)
I don't know how I'm going to accomplish even one
little|thing today

MAX
Powerful power lines.

DAD
You always seem to manage.

MAX
Powerful power lines.

MOM
Barely.

MAX
Powerful power lines are like dogs!

TV sounds suddenly louder.

TV NEWS
The problem is really societal.

Dad goes to watch.

TV NEWS
We've been engaging in a mythology for a long time. A thing
called "See and Avoid".

MAX
Theodore?...Simon?...Alvin and the Chipmunks?...

TV NEWS
...and we really don't have that much visual range and it's
very easy to approach each other and neither of them see
anything...

MAX
Richard Nixon and the Presidents?
(in the same intonation as Dave
would yell to his chipmunk,
"Al-vin!!!!")
Nix-on!!!

Commercial comes on, intro

DAD
Max, it's the commercial!

Max turns excitedly toward the TV. Mom and Dad know they have 30 seconds to get something done.

SONG 3: NEGATIVITY

TV

With Nutri-scheme you can lose weight while you eat. Tanya lost 30 pounds while eating. TANYA: I'm 47 years old and haven't looked this good since high school. My husband calls me his trophy wife!

They watch Max watch the commercial

MOM

Fixations are truly weird.

DAD

What, don't all kids talk about power lines all day?

MOM

(to the TV)

Lose weight while you eat?

Max engages happily, as trio for Mom, Dad, and TV begins.

Everything stops. Dad exits for work.
Mom shuts her eyes and exhales.

MOM
Max, sit here and play with your Presidents. I'll go sort the
laundry. Max, you and Pegasus want to fold laundry with me?

Max? She gets no response

It'll be "fun"... No response

Ahhhhh! MAX

MOM
You don't want to fold laundry?

No response

If you change your mind, I'm right over here.

She goes over to the adjacent laundry
area.

On her way she nearly steps on an
elaborate set-up of toys. She picks up
a small plastic moose.

I should probably leave this set up. You'll be mad if I move it, huh?

Takes a load out of the dryer.

WHY CAN'T I BE NORMAL UNDERSCORE

Why are you so obsessed with a store? Why Abercrombie? Is it the symmetry of the layout, or..? The topless male models? Not my taste, but. You download the images. Take your shirt off and make model poses. Something else other people can't understand. Try to explain that...

Admiring Max's work on the floor

You set that up so particularly. Like a kid with a doll house. But different.

She steps on something else...

Ouch!

...a talking toy. "Everybody Sing!"

Mine field! Something ready to go off any minute.

Mom kicks the toy aside. Rethinks. Puts it back in its place. The washer kicks in to a different cycle.

SONG 4: RIBBON

Another blasted noise maker!

MOM

IF I COULD HOLD
BEAUTIFUL BOY
NEED TO CONNECT

IF THIS PERSISTS
INTO BEYOND
I'M FEELING WEAK

ONLY TO BE
ANSWERED IN EYES
HELD IN HIS ARMS

ALL MY DESIRES

DROPPED ON A SHELF
WHERE IS MY TIME?

IF I COULD CUT
THE RIBBON THAT HOLDS
MY HELIUM DOWN

IF I COULD FLY
FURIOUSLY
UNTIL THIS LIFE

WAS JUST A DOT
WHO WOULD LOOK UP?

*

Loud buzz of cycle ending

I have to finish *something*!

We are now aware of competing sounds:
the TV and a radio from O.S. room.

*

DAD (O.S.)

(as Plankton)

"...That's it Mister! You just lost your brain privileges!..."

MOM

Max?

Dad enters from outside

DAD

I'm back. Forgot my bag.

MOM

Better pick up some more waffles today. That was the last one.

DAD

Make him pancakes.

MOM

(for the umpteenth time)

He'll only eat those frozen waffles. And two other things.

DAD

I know. Sounds simple.

MOM
You're telling me. You were supposed to get some yesterday.

DAD
I was?

MOM
With the spinach and turkey bacon? Don't forget the school testing.

DAD
When is that?

MOM
Wednesday. Why didn't you get waffles?

DAD
I got pancake mix. I thought he might try|them

MOM
Dream on. I didn't even know you'd left.

DAD
Well I did.

MOM
Forget it. I'll get some later.

DAD
No, I'll stop on my way home.

MOM
Forget about it.

DAD
You don't think I'm capable?

The TV and radio sounds and their voices have escalated. Max looks around to make sure no one is watching, grabs his backpack and helmet and gives a little wave good-bye to his parents who are completely self involved. He heads for the door leading outside and slips out as his parents voices fade in the distance.

MOM
(mockingly)
"Well, you know God gives special children to special people."

DAD
Don't go there. You don't buy into that anyway.

MOM
Forget it. I'll get some later.

DAD
No, I'll stop on my way home.

MOM
Forget about it.

DAD
I thought he might try pancakes.

MOM
Forget about it.

DAD
You don't think I'm capable?

MOM
Forget about it.

DAD
You don't think I'm capable?

SCENE 3 - OUTSIDE

Max scoots to a particular spot near the street and at the edge of the apartment complex. The sound of a busy street. Sound of a leaf blower is heard. This makes Max retreat and begin to make his noises. He takes out toy figurines from his backpack. He arranges his Pegasus, an Einstein action figure, and a mermaid.

MAX
(mermaid)
Why didn't you get waffles?
(Pegasus)

Cornish Pixies!
(Einstein)
You don't think I'm capable?
(Pegasus)
Cornish Pixies!
(mermaid)
Over here, handsome

A neighbor girl enters during this.
Self-possessed, bossy, a bit older than
Max. She stares at him.

MAX
(nervously, not looking at her.
as Pee Wee)

Oh, hi!!

FIN
You. Spazoid. You live here, right? *

MAX
Billy Mays here for Oxi-Clean, the stain specialist, powered
by the air you breathe

FIN
What??

Max doesn't answer
Right? You ride the *special* school bus don't you? *

Max smiles but doesn't answer.

Don't you? I've seen you get on that little school bus. Deny
it at your peril! Those kids are all kind of weird, huh? Hel-
lo. Anyone home? *

A heavy-set preppily dressed teenaged
girl and a stringy-haired boy of a
similar age, wearing a shirt with
"E=mc²", enter together. *

FIN
Knock-knock.

ALBERT
I doubt that.

FIN
Don't you? Ride it?

PEG
So what? It's true. It cost \$300.

ALBERT
That's a waste.

PEG
How would you know? You wear the same thing every day.

FIN
(interjecting)
You're right he doesn't know anything! Anything useful!
Egghead!

PEG
He knows more than you, fish face!

FIN
Can it, Blub! (to Albert) Yeah, you sit at home and edit
Wikipedia all day. And read smelly old dictionaries cover to
cover. What a nerd!

PEG
Not true!

Nearly tripping over Max
Hey...oops!

ALBERT
(still to Peg)
Why spend that kind of money on stupid clothes? 'Specially
when|you could

FIN
...she looks like a giant rhinoceros? No wonder your clothes
are so expensive. It takes a lot of fabric to cover your big--

Leaf blower heard, off. Sound of car
honking

PEG
(retreating)
Hey!

ALBERT
That's not exactly what I was getting at -

PEG
(to Fin)
Go jump in the drainage ditch!

FIN
Shut up! Or I'll throw you into the traffic.

ALBERT
Hey!

FIN
(to Albert)
Don't you have a Harry Potter [Comic-Con?] convention to get to?

MAX
Cornish Pixies?

ALBERT
Keep talking, maybe you'll say something intelligent.

FIN
(threatening him)
What did you say???

MAX
Cornish Pixies?

FIN
(shoving Max away while staring down Albert)
Shut. Up.

ALBERT
Nothing.

PEG
(to Albert)
Just ignore her. (to Max) Aren't you the kid who's always with your parents?

MAX
Oxi-Clean, the stain specialist

FIN
The kid's a freak!

PEG
Isn't he the boy who's always with his parents?

FIN
Why don't you answer her? Are you retarded?

PEG
You ride the little school bus, don't you?

ALBERT
Don't you?

FIN
Why don't you answer?

PEG
Hey!

FIN
Are you deaf or just dumb?

ALBERT
Don't you? Ride it?

FIN
Answer me!

PEG
Don't you?

ALBERT
Don't you?

SONG 5: KIDS AND CARS

Max jumps anxiously

WHY DO YOU JUMP UP AND DOWN LIKE THAT?

PEG KIDS *
WHY DON'T YOU ANSWER HER? ANSWER, ANSWER, ETC. *

WHY DON'T YOU LOOK AT ME?

ALBERT
WHAT'S YOUR NAME?
DON'T YOU TALK?

The leaf blowing man observes the situation.

FIN
WHY ARE YOU HUMMING?

KIDS
HUMMING, HUMMING, ETC.

FIN
WHY DO YOU SHAKE LIKE THAT?

PEG
CAN'T HE ACT NORMAL LIKE US?

ALBERT
HE RIDES THE LITTLE SCHOOL BUS

PEG
WHERE ARE YOU LITTLE BOY?

FIN AND ALBERT
LITTLE BOY (with Peg)
WHERE ARE YOU?

The leaf blowing man comes closer, his blower adding to the rising noise level and tension

PEG
WHY DON'T YOU ANSWER ME?

ALL THREE
WHY DON'T YOU LOOK AT ME?
ARE YOU THERE?
ARE YOU, ARE YOU, ARE YOU
ARE YOU THERE?
WHERE ARE YOU?
LOOK AT ME
LOOK AT ME!

Max nervously kicks. His red croc flings off his foot into the street. Oblivious to danger he lunges into the street to retrieve his shoe. The kids watch in horror. Everything slows down. The man has blown leaves into a massive swirl in space, that elegantly form a shape.

Max looks up and runs towards this vision just as the sound of car screeching is heard. It echoes into silence.

MAN

Hey kid. It's an INTERSECTION. Look. Both. Ways. First one way. Then the other.

The other children are no longer there. Though deceptively back to normal, there is a distinct change now in the quality of light and setting.

MAN

SONG 6: SHAPE YOUR WORLD

IT'S ALL THERE,
LOOK BOTH WAYS BUT NOT TOO LONG
YOU ARE WHERE
YOU SHOULD BE THERE'S NOTHING WRONG
REALIZE
YOU SHAPE THE WORLD THAT YOU SEE
CLOSE YOUR EYES
AND SHAPE THE WORLD, TOTALLY

Man retrieves shoe for Max. The Man happens to be wearing the same shoes.

MAN

Nice shoes, little man.

MAX

Nice shoes, little man.

MAN

Reaching out to shake his hand

Homunculus Jones. You can call me Munc.

MAX

Doesn't take his hand, he rapidly shakes or flaps his own hands while jumping up and down

Nice shoes, little man.

MUNC

Does the same as Max, flapping his hands and jumping

Nice to meet you too.

They hop awhile together.

MAX

(sounding remarkably like the Scarecrow in "Wizard of Oz")

But some people without brains do an awful lot of talking.

MUNC

stops jumping

Talking much about oneself can also be a means to conceal oneself. Fortune cookie. Um...well...I got some work to do.

Munc starts up the leaf blower. He works an area not far from Max. Max gets noticeably agitated in response to the sound. After a few moments, Munc notices this. He turns it off. Max seems instantly better. Munc turns it back on, Max reacts.

Off and on and off, Munc can play him like a conductor. He's fascinated.

MAX

I'll eat that

MUNC

What do you mean?

MAX

That.

MUNC

That what?

MAX

That noisy...

MUNC

The leaf blower?

MAX

I'll eat that leaf blower.

MUNC

What do you mean?

MAX

Need to do it

MUNC

Oh. OK. It won't taste very good. Kind of oily...but go ahead.

Max "eats" handfuls of air.

What's your name?

Max doesn't respond.

MUNC

Well, I can't keep calling you "little man" can I? This is a mystery. Can I call you Mystery? How about "M" for short.

Max begins to pack up his backpack

You gotta go or somethin'? Well, okay but do yourself a favor M, remember, look both ways. Know what I'm saying? But then jump in. Sometimes it's the scary stuff that makes you even bigger.

Max pulls on his own skin, rather vigorously

MUNC

Hey, hey, what're doing there, Mystery?

MAX

Need to do it! (then in Munc's voice) "Makes you even bigger."

MUNC

I see. But, ah, keep your skin on there. That stuff'll stretch with ya.

Max looks quizzically at Munc for a long beat, then shrugs as if in character. Max puts on his backpack and helmet and wobbles off, as clumsily and slowly as ever on his scooter. Unnoticed, Munc rights the scooter before it tips, and sends Max in a particular direction. He hesitates, then with concern follows watchfully.

SCENE 4 - HOME

As before. TV sounds, and O.S. Radio.

MOM

Forget about it.

DAD

You don't think I'm capable?

MOM

Dream on. I didn't even know you'd left.

DAD

Well I did.

MOM

I didn't know you'd left.

DAD

But I did.

MOM

Forget it. I'll get some later.

DAD
No, I'll stop on my way home.

MOM
He'll only eat those three things

DAD
I know!

MOM
He'll only eat those frozen waffles

DAD
I'll get some!

MOM
Forget about it.

DAD
No! I'll stop on my way home.

MOM
Forget it! I'll get some later.

DAD
I'll stop on my way home.

MOM
Forget it!

She turns off the radio (O.S.?)

DAD
You don't think I'm capable?

MOM
Forget it. Really. I'll get some later.

DAD
No, I'll stop on my way home. I thought he might try
pancakes.

MOM
Where's Max?

DAD
I'll stop on my way home.

MOM
Where's Max?

DAD
You don't think I'm capable?

Low thrum of TV

You don't think I'm capable?

TV blather

MOM
Where's Max?

She turns off the TV. Deafening
silence.

MOM
Where is he?

Frozen. Ice.

DAD
Oh no.

They run around in different directions
looking for Max.

DAD
Check the linen closet, he likes to sit in there.

MOM
I need you here more!
(from OS?)
What if he left? What if he falls in the drainage ditch? They
still haven't covered it. What about the broken glass near
the dumpster?

DAD
He can't be too far. Damn it! (calling out) MAX?!

SCENE 5 - OUTSIDE BEHIND THE APARTMENTS

Max enters on his scooter. In one hand
he clutches his Pegasus toy. He stops
to sit and plays with his toy.

DAD
(from off at a distance, but
with urgency)
Max! Max? Max!! Where are you?

Max pays no attention to the calls.
Munc, who has been keeping an eye on
Max out sight, appears.

MUNC
Someone's lost? They sound worried.

Max doesn't reply.

Well, worry's not the thing, exactly. Worry's in a hurry to
get nowhere. You know? Why are you here?

Max doesn't reply.

Oh, yeah. Mystery.

MAX
Why you here.

MUNC
Why I'm here? Cause this is my...um...reality.

MAX
Un-reality?

MUNC
(chuckles)
Kind of. But I like it out here. Fresh air. Air is just water
with holes in it, ya know. Bottle cap.

No response

Just...water...with...? Well. Don't be afraid to jump in and
get your hair wet.

We hear other voices from off:

PEG'S MOM (O.S.)
Peg, will you get those wet things up on the line right now??

PEG (O.S.)
I'm on the phone, Mom

PEG'S MOM (O.S.)
Well get off and do it!!

PEG (O.S.)
No!

PEG'S MOM (O.S.)
Peg!!!!!!

PEG (O.S.)
Mo-o-om!

Peg, the teen girl, enters, stomps angrily across the stage and disappears pulling a clothesline. Munc and Max observe. Munc picks up the Pegasus toy.

DAD (O.S.)
(with still more urgency)
Max? Max!!

Max is still oblivious to the call for him, while almost simultaneously, a winged Peg reappears from the original side of the stage carrying the other end of the clothesline, complete with sheets, towels, underwear, etc. Music. She floats up, attaches the line, and swings up to standing on the clothesline.

PEG
Hey there, little school bus boy! Wanna help out? Hey, look up! Come on up! *

MAX
Pegasus!

PEG
Help me out. Follow me! *

SONG 7: DREAM

IF YOU WANT TO PLAY WITH ME
YOU HAD BETTER GROW SOME WINGS
FORGET ABOUT THE HEAVY THINGS
LIKE A DREAM
IN A DREAM
I WILL FIND THE THING I NEED
CHANGE INTO A KIND OF ME

FLOAT AWAY SO ALL CAN SEE
I CAN FLY
YOU CAN FLY?

MAX
Go up there! With Pegasus!

PEG
Take my arm!

She dangles a sweatshirt for him to grab the "arm". He sees how high she is and gets nervous.

EMPTY ARMS WILL WAVE HELLO
EMPTY FEET WILL DANCE BELOW
NIGHTIES SWAY AND TOWELS PLAY
IN THE WORLD WE MAKE TODAY
IN OUR DREAM

MAX
No, don't want to!

PEG
Well then grab real tight to this line, will ya? *

He doesn't know how to respond.

GRAB THE LINE COME PLAY WITH ME
FEEL YOUR SENSES SOAR WITH ME
IN A WORLD OF CLARITY
I CAN FLY

Here, I'll get that.

She swoops down and grabs some clothesline, which she flies up with to attach up high making a diagonal line.

You can start on the ground, see?

She attaches a number of clotheslines to criss-cross the stage.

You can climb it like a ladder. That's it, hold on.

MAX
(grinning)
Be careful Max!

He squeals, happily, and climbs up a few wobbly rungs.

PEG

Hey, my name's not Max...oh...you're Max?

MAX

I fly!

In his elation he misses a footing, flips over a string or two and lands with a thud on the ground.

PEG

Whoops! Watch out, Max!

MAX

I crack my butt!

PEG

(laughing)

Ha, ha! Not possible! You're like a baby giraffe you know that?

MAX

(whimpering)

Be careful Max!

PEG

You need some wings too.

WE CAN GLIDE ON FEATHERED WINGS
LEAVE ALL THE MASS OF EARTHLY THINGS
IN OUR DREAMS

She shakes out a fluffy set of wings from the laundry basket and puts them on him.

Here, you try. It'll be fun!

MAX

(she said the secret word. Max screams)

Ahhhhhh!

PEG

What's the matter?

Secret word. MAX

Oh, right! PEG

Now let go! She climbs, he follows in step.

Music becomes airier. Pretty soon they are flying to higher rungs, spinning, dancing, hanging laundry every which way.

KIDS AND MUNC
EMPTY ARMS WILL WAVE HELLO
EMPTY FEET WILL DANCE BELOW
NIGHTIES SWAY AND TOWELS PLAY
THE WORLD WE KNOW SO FAR AWAY
WE CAN GLIDE ON FEATHERED
WINGS
LEAVE ALL THE MASS OF EARTHLY
THINGS
REAL IS NOT REALITY
IT'S ANYTHING YOU WANT TO BE
IN YOUR DREAM

PEG
THEY DON'T KNOW
I CAN FLY
THEY CAN'T SEE.
THEY WON'T TRY
THERE'S NO LIMITS
HERE'S A CLUE
I'LL BE ME
YOU BE YOU

*
*
*
*
*
*
*
*
*

PEG
IF YOU WANT TO PLAY WITH ME
YOU HAD BETTER GROW SOME WINGS
OR ANYTHING YOU NEED TO BRING

As the song and dance end, the lines of laundry detach and sproing off, suddenly clearing the space.

PEG'S MOM (OS)
C'mon Peg, your appointment's in fifteen minutes, we've got to go now!

PEG
Mo-om!!...coming! You know, Max, you can do anything. They make fun of *me* because I'm heavy. (lights up) I can fly!

What's your secret?

By the way, I'm no Pegasus (sassily) I'm a gazelle with wings!

She runs off.

MAX

(thinking about how to respond,
then echoing that ad)

I'm 47 years old and haven't looked this good since high school. My husband calls me his trophy wife!

Munc emerges from the laundry.

MUNC

Hey, Max-man! You let go! Cool, huh?

Max gets his gear, and begins to ride off on his scooter, but this time he's quite a bit swifter.

MUNC

Book-it, my friend.

SCENE 6 - OUTSIDE

SONG 8: REACHING

Dad runs on, out of breath. Music.

This is going to be OK. I know I'll find him. He's playing somewhere. Close.

DAD

HE'S EASILY DISTRACTED
A STUCK, OBSESSIVE MIND
WON'T STOP UNTIL I FIND HIM
HOW COULD I BE SO BLIND

COULDN'T SEE THE BLESSING
TIL IT WAS SWEEP AWAY
THOUGHT I NEEDED QUIET
QUIET'S TOO MUCH PAIN

Music plays out under next dialogue

SOMEWHERE ELSE, AT THE DUMPSTER

MOM (OS)

Max! Come on home honey! Max!! Where are you?

Without noticing this he gets out his Einstein action figure and plays with it.

Stringy haired boy from scene three stands precariously on top of dumpster spouting facts to an imaginary audience. Old books and magazines spill out.

ALBERT

...Did you know that when writing systems were invented in ancient civilizations, they used nearly everything that could be written on to write on, like stone, clay, and tree bark? Alphabetic writing began in Egypt around 1800 BC. At first the words were not separated from each other and there was no punctuation texts were written from right to left and left to right and even had alternate lines read in opposite directions the same way a farmer drives an ox to plough his fields!

MAX

(having noticed his T-shirt:
"e=mc2")

Relativity!

Music again

DAD

I'LL REPEAT THE PRESIDENTS
PLAY ALL HIS FUNNY GAMES
LIFE'S A LOOP ALREADY
I WILL NOT COMPLAIN

Suspension

IF I COULD CUT
THE RIBBON THAT HOLDS
MY HELIUM DOWN

IF I COULD FLY
FURIOUSLY
UNTIL THIS LIFE
WAS JUST A DOT

ALBERT

Hey! Look at all these books that people just throw away. Did you know that every three seconds, a book just gets trashed? That's twenty books a minute. That's twenty-eight thousand eight hundred perfectly good books a day. I read that somewhere. Let me see.

He shuffles through his books

DAD

(Music starts up again as he sings)

COULD I ESCAPE?
WOULD I BE SANE?

MOM

SCREAMING AS I'M DREAMING
THEY CAN'T HEAR ME CALL
PRACTICE REPETITION
BREATHE IN, BREATHE OUT, THAT'S ALL

ALBERT

Oh, this one's a beaut. Found it just the other day. "The Elegant Universe". He says string theory unravels the central Gordian knot of contemporary theoretical physics.

MAX

String theory!

ALBERT

From one principle, string theory provides a single explanatory framework capable of encompassing all forces and all matter. Einstein's theory of general relativity led the way.

MAX

Your one stop solution for all your office needs!

Music starts up again

MOM

I'LL TAKE HIM TO THE EDGES
RACE HIM DOWN THE STREET
WE'LL DANCE UP ON THE HIGH WIRE
NO SAFETY NET BENEATH

Suspension

MOM/DAD

IF I COULD CUT

THE RIBBON THAT HOLDS
MY HELIUM DOWN

ALBERT

Wait, wait, wait. Check out this one. It's a gigantic book about the Presidents of the United States. It only goes up to Eisenhower, but it has excellent descriptions, and here, look at these drawings! Oh, oh, hang on there a second, I've got this book on drawing that is guaranteed to get you to draw better than you ever thought possible. I read once that people have the most amazing, limitless creativity in them that just is waiting to be unlocked...or unleashed I think the author said. Some people never get theirs let out, but some have their gardens watered and so the energy in that capsule, seed, just explodes. Blooms. Most people don't seem to have any idea what I'm talking about most of the time, which is ridiculous because I know exactly what I mean. Why don't people just listen, you know? My parents tell me I talk too much, so I just quit talking around them. Hey, was that your mother calling for you?

MAX

I like the presidents, Millard Fillmore...

ALBERT

Did you know that Millard Fillmore's wife was so shocked to find out that the White House had no library that she asked the president to get Congress to pay for one and picked out the books herself?

MAX

13th president, 1850-1853.

ALBERT

That's right!

MAX

Mount Rushmore!

ALBERT

LOVE it! 4 of them on there. Washington, Jefferson, Roosevelt, Lincoln. 36 miles West of Rapid City. Covers 1,278 acres and is 5,725 feet above sea level. 2 million visitors annually.

MAX

Sure! We can talk about Washington, Adams, Jefferson, Madison, Monroe, Adams, Jackson, Van Buren, Harrison, Tyler, Polk, Taylor, Fillmore, Pierce, Buchanan, Lincoln, Johnson, Grant, Hayes, Garfield, Arthur, Cleveland, Harrison, Cleveland, McKinley, Roosevelt, Taft, Wilson, Harding, Coolidge, Hoover, Roosevelt, Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford, Carter, Reagan, Bush, Clinton, Bush, and Obama, if you want to.

This impeccable list from the small child blows Albert's mind and literally blows him backwards into the dumpster

MAX

Einstein?

Max pulls the president toy (from the first scene) out of his backpack. He presses a button or two. Same music with the facts. Just then the lights change. A hand reaches around from behind the dumpster to place a crappy old boom box. The hand re-emerges, pops in a cassette and hits "play". A throbbing beat. Rising up out of the dumpster, the first thing we see is the top of some Don King-like Einsteinian puffed up hair, revealing a new Gangsta Albert, his T-shirt now reading: "MC Squared."

At the end of each verse, Max will "jam" by "playing" his Presidents machine.

SONG 9: RUSHED UP

ALBERT

JUST A LITTLE SOUTHWEST OF RAPID CITY, SOUTH DAKOTA
THERE'S A NATIONAL MEMORIAL SOMEBODY PROBABLY TOLD YA
THAT IT'S ON THE MOUNTAIN...SIDE
WAY UP IN THE...SKY
FOUR FACES CHISELED, EACH 60 FEET...HIGH
THEY REPRESENT 4 GREAT PRESIDENTS:
WE GOT WASHINGTON, LINCOLN, TEDDY ROOSEVELT, AND
JEFFERSON
IT COST US MILLIONS JUST TO CARVE THEIR GRILLS

I GUESS THAT'S WHY THREE OF FOUR GOT THEIR FACES ON OUR
DOLLARS BILLS

EVERYBODY GET YOUR RUSH UP
AND GET RUSHED UP
AND IF YOU LOVE SOUTH DAKOTA GET YOUR HANDS UP
GET RUSHED UP
AND IF YOU LOVE ALL THE PRESIDENTS SAY- HEY

A fashion-show runway appears and as each president is described, a model dressed recognizably like that president struts on down, back, and out. Max's obsession with Abercrombie models informing this fusion of images. These models are played by the rest of the cast, also informed by Max's need to "cast" those around him into his fantasies.

WASHINGTON WAS THE FIRST ONE TO LEAD US FROM THE CURSE
OF
THE KING OF ENGLAND TAKING MONEY FROM OUR PURSE
BUT THEY DIDN'T WANT TO LET US GO
UNTIL WE WON THE REVOLUTIONARY WAR WITH GEORGE AS THE
GENERAL
THEN HE BECAME THE FIRST PRESIDENT
AND SAID NEUTRALITY WITH EUROPE WAS IMPORTANT OVER
EVERYTHING
HISTORY CONFIRMS HE WAS A SMARTY...

Max presses buttons

PRESIDENT MACHINE

Washington was a member of the Federalist's party.

ALBERT

YEAH, THE 16TH PRESIDENT
KNOWN FOR HIS RHETORIC
ABRAHAM LINCOLN YEAH HE BEAT THE CONFEDERATES
LEADING THE UNION THROUGH THE CIVIL WAR
AS THE VERY FOUNDATION OF OUR NATION ALMOST HIT THE
FLOOR
HE WANTED EVERYONE TO STOP ENSLAVING
TOLD US SO IN THE EMANCIPATION PROCLAMATION. UH
HIS LEADERSHIP KEPT THE NATION HARDY...

Max presses buttons

PRESIDENT MACHINE

Lincoln was a member of the Republican Party.

EVERYBODY GET RUSHED UP
AND GET RUSHED UP
AND IF YOU LOVE SOUTH DAKOTA GET YOUR HANDS UP
GET RUSHED UP
AND IF YOU'VE BEEN TO MOUNT RUSHMORE, SAY- HEY

MR. TJ, WAS A FARMER FROM VA
AN INTELLECTUAL IF YOU COULD ASK THEN HE'D SAY
HIS FAVORITE FOOD WAS FOR THOUGHT
HE LOVED MUSIC AND ART
CHURCH AND STATE, HE WISHED THE TWO WERE APART
HE SENT LEWIS AND CLARK TO GO DISCOVER THE
LAND WEST OF THE MISSISSIPPI BOUGHT FROM THE FRENCH
GOVERNMENT
HIS ARCHITECTURE SHOWS US HE WAS ARTY

Max presses buttons, but also joyously
speaks with the machine.

PRESIDENT MACHINE AND MAX

Jefferson was a member of the Democratic-Republican
party.

ALBERT

Max decides he can do this himself the
next time around. He slides the machine
aside and prepares to do so.

TEDDY ROOSEVELT WAS ALWAYS KNOWN AS A TOUGH GUY
HE LEAD THE ROUGH RIDERS AND NEVER WAS GUN SHY
HE ALSO FOUGHT TO REFORM OUR NATION
SO HE SHUT DOWN 40 GREEDY CORPORATIONS
HE GOT THE PANAMA CANAL AND HE WAS SO WELL LIKED
HE WAS THE FIRST AMERICAN TO WIN THE NOBEL PRIZE
JUST IN TIME NOT A SECOND TARDY

MAX

Roosevelt was a member of the Republican party.

Max is overwhelmed by his own
accomplishment. His excitement turns to
high anxiety as he begins to contort
his body, rocking and flapping.

ALBERT

EVERYBODY GET YOUR RUSH UP
AND GET RUSHED UP
AND IF YOU LOVE SOUTH DAKOTA GET YOUR HANDS UP
GET RUSHED UP
AND IF YOU LOVE ALL THE PRESIDENTS, SAY- HEY

EVERYBODY GET YOUR RUSH UP
AND GET RUSHED UP
AND LET THE SIXTY FOOT FACES GET YOU AMPED UP
GET RUSHED UP
AND IF YOU LOVE SOUTH DAKOTA SAY- YEA

MAX

(Alvin-y)Nix-on!!! (more angrily)Nix-on!!!!

He does the classic Nixon impersonation
over and over again, shaking and
vocalizing with increasing energy.

ALBERT

Easy! Easy! C'mon, easy does it.

Max begins throwing books and things
around, decking Albert on the head with
a copy of the Norton Anthology of
Poetry.

ALBERT

Hey, hey, chill out!

MAX

No, I warm. Too hot!

ALBERT

No, I mean take a chill pill.

MAX

No pill, no pill.

ALBERT

We were cooking there, Max.

MAX

Hungry!

ALBERT

No, I mean you know a lot of information for a little guy.
You know all that by heart?

MAX

Heart pumps 30 quarts of blood per minute.

ALBERT

Yeah, I know crazy stuff like that too. No, I mean by heart, like you don't need the book anymore to tell you.

MAX

Presidents Book talks.

ALBERT

Yes, but that's not really talking like we are doing now. Like friends do.

ALBERT'S MOM (O.S.)

Al-bert!! How many hours can it take to take out the trash?!
Get on home! *

ALBERT

Well, gotta turn tail and --

MAX

Tail?

ALBERT

I have to get after it. Could you clean up a bit? I hate a messy dumpster. *

Oh, hey. Did you...? I think you chucked this up here like some reverse Newton apple grenade. Ha ha. Kidding! I don't know HOW this go here, but it's perfect for you. *

He hands Max the anthology.

You should check out some of this poetry. It might calm you down. *

Albert leaves

MAX

Friend?

He turns around in a few circles checking to see if he has a tail.

He looks at the book in his hands and shrugs and "cleans up a bit" by placing it on top of a pile of dumpster books.

SCENE 7

Fin enters fuming

*

Max is there.

FIN

*

(thought she was alone)

*

You!? Are you EVERYWHERE?

MAX

Friend? Turn tail?

It's Mother Nature approved and it's safe on your colored fabrics.

FIN

MAX

Powered by the air you breathe.

FIN

I mean it. Get out of here.

MAX

Quiet, I'm brainstorming.

SONG 10: SHUT UP

FIN
I MIGHT HAVE TO PUNCH HIS FACE

YES I HEARD YOU
JUST SHUT YOUR TRAP

She opens her mouth and Billie May's voice comes out of it at full volume. She lip synchs. It's as if she's possessed. This is disturbing. Out of her control.

DON'T JUST GET IT CLEAN GET IT OXY-CLEAN
DON'T JUST GET IT CLEAN GET IT OXY-CLEAN
DON'T JUST GET IT CLEAN GET IT OXY-CLEAN
DON'T JUST GET IT CLEAN GET IT OXY-CLEAN
DON'T JUST GET IT CLEAN GET IT OXY-CLEAN

MAX

All quiet. They stare at each other. Who is this kid? What the heck was that??

FIN

It hurts. It physically hurts. *

his question) *
Yes. *

MAX

Yes I heard you. FIN

Then Pony. Hair out. MAX

He reaches towards her and she lets him take her hair out of her very tight pony-tail

Max wants to say something to her, but can't

Fin shakes out her hair, a beginning of a smile? and leaves.

Max cradles a mermaid doll.

SCENE 9 - OUTSIDE AT THE DUMPSTER

Max and Munc organize the dumpster books and things into some kind of structure. Max sits on it, humming the Casio melody, and puzzling over the book Albert left him with. Munc helps.

MUNC

Sittin' on the tree of knowledge?

MAX

Ant hill. Newton Ant Hology.

MUNC

Newton who?

Checking out the book

Let me see here....That's a book of poetry. Oh! Norton Anthology. I wandered lonely as a cloud.

MAX

Cloud?

MUNC

That's a simile. Then we can move on to metaphor.

MAX

Meta-five? Meta-six? Met a friend.

True friend?
MUNC

I don't lie.
MAX

You don't lie.
MUNC

I standing up!
MAX

I'm standing up for you.
MUNC

Beat.

Let's sit down.
MAX

Simile. Something is like something. It's nice to tell a friend they're pretty like something.
MUNC

You are pretty like Abraham Lincoln.
MAX

Abe was good lookin' but that's not quite what I mean. What is something you like about Abe?
MUNC

His beard?
MAX

What's a beard made of?
MUNC

Hair?
MAX

Right! Now say you have hair as lustrous as Lincoln's beard.
MUNC

Luscious as Lincoln.
MAX

Maybe just, "you have pretty hair."
MUNC

MAX
You have pretty hair.

MUNC
Why, thank you.

He looks back into the book.

MUNC
(relishing the name)
Mr. Words Worth.

SONG 13: CLOUD

MUNC
I WANDERED LONELY AS A CLOUD
THAT FLOATS ON HIGH O'ER
VALES AND HILLS,
WHEN ALL AT ONCE I SAW A
CROWD,
A HOST, OF GOLDEN DAFFODILS
BESIDE THE LAKE, BENEATH THE
TREES
FLUTTERING AND DANCING IN THE
BREEZE

PEG/ALBERT/FIN
LONELY. FLOATING. YOU ARE.
BESIDE THE LAKE, BENEATH THE
TREES,
FLUTTERING AND DANCING IN THE
BREEZE

MUNC

Munc dances around like a daffodil

This "crowd", this sea of daffodils, rippling with the
breeze. Wave after wave. Everything flowing together.

MAX
Wave after wave!

He waves like he's waving "hi" over and
over.

MUNC
Wave after wave.

Munc waves like water. Max' wave
evolves.

PEG/FIN
BESIDE THE LAKE, BENEATH THE TREES
BESIDE THE LAKE, BENEATH THE TREES

MUNC

I am...We...are ALL these things.
You are that cloud.
You are the lake.
You are the breeze.

PEG/FIN

BESIDE THE LAKE, BENEATH THE TREES
BESIDE THE LAKE, BENEATH THE TREES

MUNC

You are in the flow. The current. You are...

MAX

You are.

MUNC

You are.

MAX

You are.

MUNC

You are.

MAX

You are.

MUNC

You are.

MUNC

(pointing at Max)

YOU ARE

MAX

(gesturing with his whole hand
towards Munc)

YOU ARE

MUNC

(pointing again)

YOU ARE

MAX

(now with his pointer finger,
looks Munc in the eye, for the
first time)

You are kinder than kindergarten!

MUNC

Whoa.

SCENE 10 - MOM

Mom enters

MOM

Max!

Max?

Max?

She sees

Oh! You scared me. What are you doing there? I've been searching everywhere. Every inch of everywhere. I KNEW you couldn't be far! But what if you were? What if I never found you? What if you'd gone too far? (I need to lie down.) What if I never? No! But, no! There you are! There you are! There you are!

Why don't you answer me?

A bell and then silence.

MOM
Powerful power lines are like dogs!

SCENE 11

Dad enters. Oddly detached, blissed.
When they speak the following
"echoalic" lines, they should sound
like Max would, or did, say these
phrases as these characters.

DAD
(Pee Wee. Without making eye
contact.)
"Oh, hi."

MOM
(Dorothy)
"I don't like the forest! It's dark and creepy!"

DAD
(Scarecrow?)
"Of course, I don't know, but I think it'll get darker before
it gets lighter."

MOM
(Dorothy)
"Oh."

Beat. Breathing.

DAD
(Plankton. Loud and gruff.)
"But really, why don't you go ahead and make us a patty!"

MOM
(Sponge Bob)
"Ahhhhh....Nahh...I don't feel like it!"

DAD
(Plankton)
"Don't back sass me."

MOM
(Sponge Bob imitating Plankton,
sasily: 'don't back sass me")
"mleh mleh mleh mleh"

*

Beat.

(Dorothy)
"Do - do you suppose we'll meet any wild animals?"

DAD
(Scarecrow?)
"Mmmm...we might."

Mom looks Dad in the eye. The bliss
fades. She is overcome with emotion.

DAD
(as Mom)
"Are you a monkey wrench?"

MOM
I can't...I can't do this...

DAD
(as another kind of husband)
"What's the matter?"

MOM
(as herself)
I see you but you're not there.

DAD
(as himself)
OK, NOW you're a downer. (as Max) "President Millard
Fillmore. Fillmore served as the thirteenth--"

Max has entered. They don't see him.

MOM
(trying to get back the bliss)
"Cornish Pixies...!"

DAD
"As the thirteenth--"

MOM
"Cornish Pixies...!"

DAD
"As the thirteenth--"

MOM
"Cornish Pixies...!"

MAX
Freshly plucked!

DAD

"Need to do it! Need to, need to, need to."

MOM

"That wasn't in the job description!"

DAD AND MOM

(King of Cartoons. slow and sustained)

"Let the cartoons....."

SONG 15: GET CLEAR

MUNC

YOU CAN FIND HIM. YOU'VE ARRIVED HERE.
YOU SHOULD FIND HIM. NOW THAT YOU'RE HERE.

HOLD ON TO BOTH SIDES

YOU CAN CHOOSE TO BE HERE,
AND BE THERE AS WELL.
LIVE IN BOTH WORLDS.
JUST NEED TO GET CLEAR
SO YOU CAN SEE HIM STANDING HERE
IN HIS WORLD SO BLISSFULLY CLEAR
HE NEEDS YOU HERE AND THERE.
JUST NEED TO GET CLEAR
SO YOU CAN SEE HIM STANDING HERE
IN HIS WORLD SO BLISSFULLY CLEAR

MOM
AN EASY FEELING.
I AM FLOATING, FLOATING
THE SCHOOL BUS LEAVES AT
EIGHT
WHAT IS THIS LOVELY STATE?
A BLISS. A BLISS. A BLISS. A
BLISS.
HAPPY. HAPPY. HAPPY. HAPPY.
HAPPY.
ADRIFT, SET FREE, TO BE, JUST
BE
SOARING THROUGH OPEN SPACE.
BUY WAFFLES AGAIN
NO LOVE WITHOUT HIM
YOU CAN CHOOSE TO BE HERE
AND BE THERE AS WELL
LIVE IN BOTH WORLDS
FEEL LIGHT. DRIFT BLISSFUL.

UH-OH, UH-OH, UH-OH,
UH-OH, UH-OH, UH-OH
I WANT TO STAY
I WANT TO STAY WANT TO STAY

DAD
SLIPPING INTO A
FUNNY FEELING BUT
THRILLING OUT OF SIGHT
THRILLING OUT OF SIGHT
MUST TAKE CARE OF HIM
FOR THE REST OF HIS LIFE
JUST TAKE CARE OF ME
FOR THE REST OF MY LIFE
A PRECIPICE. A PRECIPICE
I WANT TO JUMP. BUT NOT TO
LAND
I WANT TO JUMP. BUT NOT TO
LAND
I WANT TO JUMP
SWIRLING SO RECKLESSLY
SWIRLING SO RECKLESSLY
BUY WAFFLES AGAIN
NO LOVE WITHOUT HIM
YOU CAN CHOOSE TO BE HERE
AND BE THERE AS WELL
LIVE IN BOTH WORLDS
I FEEL ADRIFT
CUT LOOSE, SEE ME
I WANT TO STAY WANT TO STAY

(beat)

DAD
Here.

MOM
I don't know how.

MAX
Press any button to begin.

Max presses his small casio keyboard
into Dad's hand.

MOM
I don't know how. It's been so long.

DAD
A lifetime.

He hands her the keyboard
Press the button.

It's been so long. MOM

Mom looks at it. She presses a key.
Music plays.

MOM
(she listens. comfortingly
familiar.)
Imagine. A future.

MAX
holds his chin like Abe Lincoln
Hmm. It's a classic two birds one stone scenario...I know!
using the dressing ritual he prepares
Mom and Dad for a dance

Two steps to the left--

He brings Dad to Mom
Peek round the bend--

He puts Mom's hand on Dad's shoulder
Under the hedge--

He puts Dad's hand on Mom's waist
Half step again.

He moves them a little closer
Over the top--

He rest Mom's head on Dad's shoulder
One to the right--

He removes himself, taking a big step

MOM
A step at a time.

DAD
(really looking at her)
A step at a time.

MOM
(really seen)
And another.

And another.

DAD

Mom and Dad dance to the music.

MAX

Free!

He does his own little dance.

MUNC

"And then my heart with pleasure fills
And dances with the daffodils."

(after Mom and Dad)

Don't lose him.

Final couplet.

SCENE 12 - OUTSIDE AT THE DRAINAGE DITCH

Max comes up to the drainage ditch, the water having collected into a pool before the stopped up cement block passage. On the far side of this sits a beautiful mermaid, formerly known as Fin.

MAX

(in awe)

A waterfall! Sparkling like Mount Rushmore in the dazzling sunshine.

MERMAID

Hungry?

MAX

Who said that?

MERMAID

Over here!

MAX

Oh, yes. Hello there!

MERMAID

Hello!

Hi. MAX

Hi. MERMAID

Hi. Are you a mermaid? MAX

Are you a merman? FIN

Maybe so. MAX

Maybe so. FIN

How did you get there? MAX

How did you get there? FIN

Are you copying me? MAX

Are you copying me? FIN

Are you copying me? MAX

Maybe so. FIN

Beat.

MAX
(composing this poem for her)
Wish I could sit close to you
Like a couple o'sardines in a tin
Even if we had no view
I could hold your fin.

MERMAID
(laughs)
You're funny!

MAX
You're pretty like Abraham Linc-- I mean, cake frosting.

MERMAID
You're dashing.

MAX
You're nice.

MERMAID
Thank you. Will you be my friend?

SONG 16: POETRY

(this is from the melody that
the Casio keyboard has been
playing throughout. Max has
composed the words to it)

MAX
YOU ARE MORE POETIC THAN POETRY
MORE VISUAL THAN VISION
WARMER THAN WOOL
YOU ARE MORE DELICIOUS THAN DOUGHNUTS
TASTIER THAN TRUFFLES
SWEETER THAN CINNAMON SWIRLS
YOU ARE KINDER THAN KINDERGARTEN
MORE HONEST THAN HONESTY
FREER THAN FREEDOM
YOU FLOW THROUGH ME LIKE AIR

Mom and Dad have entered. They choose
not to intervene. They watch. The water
sounds begin to sound like ocean waves.

MAX
YOU ARE

MERMAID
AM I?

MAX
MORE POETIC THAN POETRY

MERMAID
YOU SEE

MAX
MORE VISUAL THAN VISION

SEE ME
WARMER THAN WOOL.
YOU ARE
AM I?
MORE DELICIOUS THAN DOUGHNUTS
KNOW YOU
TASTIER THAN TRUFFLES
KNOW ME
SWEETER THAN CINNAMON SWIRLS
YOU
AM I WHAT
ARE KINDER THAN KINDERGARTEN
YOU THINK I AM?
MORE
YOU MAKE ME
HONEST THAN HONESTY
FEEL PRETTY. UNDERSTAND
FREER THAN FREEDOM

MERMAID

MAX AND MERMAID

MERMAID

I AM HERE, THIS IS REAL

MAX AND MERMAID

FILLING MY HEART WITH POETRY
SHOWING ME A DEEPER LAYER

MERMAID

(with MOM and DAD echoing in one
voice)

I was so lonely. I have found you.

MERMAID

Swim over here. Come to me.

The sound of the waves becomes more
dramatic and threatening.

Max? Max? Max? Max? Max? Max?

MOM

(overlapping Mermaid)

Max? Max? Max? Max? Max? Max?

As she calls his name, her voice takes
on first a mysterious siren call, then
cross-fades into his mother's call.
This time he is alert to her voice. Max
jumps into the water to join
Mermaid/Mom. There is a splash.

He falls under the water. He begins to
sink. Heartbeat, then underwater sound
perspective. More and more he quits
fighting the waters and just lets go.
He floats down and down back into his
bed. The water drains leaving a fetal
heartbeat, and then the sound of a
ticking clock.

SCENE 13 - HOME

Max is slowly stirring. He is damp. His parents hover over the bed. The neighborhood kids are there as well.

Max? MOM

Max? DAD

Max? Is he OK? PEG

Hey, Max? ALBERT

Max? FIN

SONG 17: THIS IS NORMAL

MAX
(seeing his parents standing
over him)
You and I are gonna be presidents and Mom can be first lady
and we can sleep in the white house and in the morning we can
get in the president's car and drive to the mall and go to
Abercrombie and get pine cones and pipe cleaners and then
Gramma can make up pancakes like Sponge Bob - in the morning
and she can call for Gary Snail and she says, "Miss Tuftsie!"
and for dinner we can have holographic meatloaf like
Plankton...

Max is... DAD

Max is... MOM

We love you, Max. MOM/DAD

MAX
(now noticing the other kids)
Pegasus! Einstein! Fish-face!

He flaps his hands, excitedly,
autistically.

PEG

Is he better?

DAD

Mm-hmmm.

MOM

THIS IS NORMAL.

MOM

Max is perfect.

DAD

Max is Max.

MAX

Max is.

MOM/DAD

Max is. Max.

MAX

Is.

MOM/DAD

THIS IS NORMAL.

Munc enters carefully.

MUNC

Excuse me, but I found this outside by the street. I believe
it belongs to you?

He hands Max the President Machine.

You are?

MAX

I am.

He looks to his parents and friends.

We are.

ALL

THIS IS NORMAL.

Munc nods and slips away.

MAX

I turn it off.

Max presses the off button.

PRESIDENT MACHINE

Good night, and God bless America.
